**Footnotes:**

1/ Figures do not reflect ARRA funding.

2/ Amounts do not reflect ARRA FMAPs or the two-quarter extension of the FMAPs through June 30, 2011, included in P.L. 111-226.

3/ Funding levels include administrative costs, incentive payments, and access and visitation grants. President's FY 2012 budget includes \$305 million for a temporary increase in incentive payments to states based on performance.

4/ Funding for these programs includes an advance appropriation.

5/ The FY 2012 president's budget proposes to replace this program with Effective Teaching and Learning: Science, Technology, Engineering, and Mathematics.

6/ Funding reflects state family assistance grants, supplemental population grants, and grants to tribes. Amounts exclude contingency funds. FY 2011 supplemental grants were reduced to \$212 million (see *Issue Brief 11-04*). The FY 2012 budget proposes \$108 million for FY 2011 supplemental grants (not reflected in table) and \$319 million for FY 2012 (reflected in table).

7/ The FY 2012 budget proposes to change the name of this program to Title I College-and-Career-Ready Students and includes an additional \$300 million for a Title I rewards program.

8/ The FY 2012 budget includes \$1.98 billion for the block grant and \$590 million for contingency funds. The FY 2011 agreement includes \$4.5 billion for the block grant and \$200 million for contingency funds. In FY 2010, \$4.5 billion was appropriated for the block grant and \$590 million for contingency funds.

9/ Totals include funding to conduct in-person reemployment and eligibility assessments, but exclude contingency funding (AWIU).

10/ Data reflect program years rather than fiscal years.

11/ Figures exclude performance bonuses because the bonuses are funded with unspent allotments and prior-year appropriations. Figures include \$45 million for child health quality improvement. Figures exclude child enrollment contingency fund.

12/ The president's FY 2012 budget proposes to change the name of this program.

13/ H.R. 1 figures are estimates. H.R. 1 does not provide specific details for cuts of \$850 million to CDC and \$200 million for substance abuse and mental health.

14/ The FY 2011 final budget agreement would fund SHSGP at \$725 million, with set-asides for Operation Stonegarden (\$55 million), Citizen Corps (\$10 million), REAL ID (\$45 million), and Metropolitan Medical Response (MMRS, \$35 million), leaving \$580 million for SHSGP. The FY 2012 budget funds SHSGP at \$1,050 million, with a set-aside for Operation Stonegarden (\$50 million) and the ability to spend funds for REAL ID, Interoperable Communications, and Metropolitan Medical Response.

15/ Figures include funding for Literacy Through School Libraries, Ready-to-Learn Television and the National Writing Project. The FY 2011 Agreement eliminates funding for the Literacy Through School Libraries program and National Writing Project, but does not provide funding details for Ready-to-Learn Television.

16/ Includes mandatory and matching funds. The FY 2012 budget proposes \$480 million in additional matching funds, \$10 million for training and technical assistance, and \$10 million for tribal grants.

17/ The president's FY 2012 budget proposes to shift this funding into a new program called Network Development. FY 2010 reflects a \$400 million rescission in H.R. 1473.

18/ The president's FY 2012 amount excludes a \$450 million transfer from the Department of Labor for Community Service Employment for Older Americans, as well as funding for CLASS administration and the State Health Insurance Assistance Program.

19/ Amounts exclude funds appropriated in the Affordable Care Act, either directly or through the Prevention and Public Health Fund.

20/ The president's FY 2012 budget proposes to replace this program with the Teacher and Leader Innovation Fund.

21/ FY 2010 amount includes \$400 million in the FY 2010 Department of Defense Appropriations Act (P.L. 111-118).

22/ The FY 2010 amount does not reflect the reallocation of \$25 million for the AIDS Drug Assistance Program (ADAP). With the reallocation, ADAP received \$860 million in FY 2010. The president's FY 2012 budget includes \$880 million for ADAP plus \$60 million in ADAP supplemental funds. H.R. 1 funds ADAP at \$877 million. The FY 2011 budget agreement provides \$885 million for ADAP.

23/ H.R. 1 levels do not reflect advance appropriations for FY 2011 included in the FY 2010 appropriations bill (\$860 million for Dislocated Worker Assistance and \$712 million for Adult Training). The House proposal also rescinds \$65 million in FY 2010 funds for dislocated workers, which is not reflected on the table.

24/ The FY 2010 amount reflects the \$50 million rescission enacted in P.L. 111-226. H.R. 1 also includes a \$189 million rescission from FY 2010 funds, which is not reflected on the table.

25/ The president's FY 2012 budget proposes to take 8% from the appropriation for the WIA Adult, Dislocated Worker, and Youth programs for a new Workforce Innovation Fund.

26/ The Continuing Resolution (CR) column represents annualized levels from the CR (through 4/15/11). The new funding reductions included in the CR are in italics.

27/ The FY 2012 budget proposes to replace this program with Effective Teachers and Leaders State Grants.

28/ H.R. 1 rescinds \$77 million in refugee and entrant assistance FY 2010 unobligated balances. The final FY 2011 agreement rescinds \$25 million from FY 2010 and prior year balances. The rescissions are not reflected in the table.

29/ President's FY 2012 budget proposes to shift this funding into a new program called Transit Expansion and Livable Communities.

30/ The FY 2011 budget agreement imposes cuts to the state and local law enforcement account without specifying how those cuts are distributed among programs within that account. The same is true for the juvenile justice account. The FY 2012 president's budget eliminates funding for JABG and creates a new competitive program funded at \$120 million. It funds JAG at \$519 million but earmarks \$32 million for grants currently funded under bullet-proof vests and anti-terrorism training accounts.

31/ The FY 2011 budget agreement includes a 1% set-aside of the Teacher Quality State Grants that will fund competitive awards for teacher training or professional enhancement activities to national not-for-profit organizations.

32/ H.R. 1 and the FY 2011 agreement both eliminate the School Community Garden Pilot Program (\$1 million) and the Hunger-Free Communities Program (\$5 million).
